## SUMMARY

I am a passionate Full Stack Web Developer with experience in both front-end and back-end technologies. I have developed several impactful projects, including websites for educational institutions and local businesses. My background includes internship experience at Google and practical knowledge of SEO, gained through my work as a Web Developer at Masti Zone. I continuously improve my skills in web technologies like HTML, CSS, JavaScript, React, and back-end languages such as Node.js and MySQL.
